YVETTE
CRADDOCK

■
Yvette Craddock credits its early exposure to the arts with making her a well-rounded person. She wants others to have that same opportunity.

Craddock, an Arcadia resident who founded Click Marketing Solutions, was recently elected to serve a three-year term on the board of the Scottsdale Museum of Contemporary Art.

“All through life I’ve been involved in the arts, studying music, art, dance and theater, as well,” Craddock said. “Their mission falls right in line with my life’s mission.”
